ADMISSIONS 2023-24

Essential guidelines for all prospective students aspiring to apply for the Four Year Under-Graduate Programme (FYUGP) at Govt. Degree College (Autonomous) Baramulla for the academic session 2023-24:

Step-1. **Registration:** For applying to any Programme, **CUET as well as Non-CUET** candidates must register without any Fee @ <https://jkadmission.samarth.ac.in>.

Step-2. **Profile Creation:** Successfully registered CUET/Non-CUET candidates are required to create their profile by providing the basic details, i.e. Name, parentage, Address, etc.

Step-3. **Academic Details:** Fill in the correct academic details of 10th and 10+2.

Step-4. **Eligibility Check:** Candidates should read the detailed eligibility guidelines for the offered Programmes @ <https://cuet.samarth.ac.in/index.php/app/info/eligibility?q=GDC>

- The eligibility of a particular program is determined by the subjects at the **10+2 level** and the **CUET paper** in which an aspirant has to appear in CUET 2023.

Step-5. **Document Uploading:** Candidates are required to upload their documents (Marks Certificates).

Step-6. **Program Preference Selection:** Candidate is required to select the Program(s) of his/her choice.

- The system will display all the preferences for which the candidate is eligible to apply for admission. However, if a particular program is not displayed, it means the candidate does not possess the requisite eligibility for the course with respect to the selected college, which can be cross-checked with the eligibility rules for the program at **Step-4**.
- After selecting the various preferences, candidates can arrange the preference according to their best choices.
- If the CUET candidate is **not finding any suitable preference** under CUET preference option, the candidate can select the preference under Non-CUET preference option.

Step-7. **Application Submission:** Candidates after carefully reading all the options must finally submit the application form.

Step-8. **After Submission:**

- Candidate must **frequently check their account** for any online queries or document deficiencies and re-upload the required documents accordingly.
- Please **await** the merit-based selection process.
- Candidate can **select / rearrange** the preference according to their best choices even after submission of the application.
- Mere submission of the application form by the candidate form is not the confirmation of a seat.
- Admission of the candidate is only confirmed once the:
 - Candidate is shortlisted in some programmes during the seat allocation round.
 - Acceptance of the allocated seat by the candidate within the specified time period (as the candidate has the option to float the seat if it is not their preferred choice).
 - Physical document verification by the college.
 - Successful payment of Admission Fee.
